

Orgonite Cones

Orngonite

Orgonite Cones :

Creation of Evelyne-Mara Gaillard, Femme-Médecine

Orgonite Cones of the Forest series

The composition of 20 cl. of orgonite of which:

- An epoxy matrix plus copper, aluminium, bronze and brass chips.
- 1 large bi-finished quartz crystal.
- Pure gold (24 carats).
- 3 braided double-spirals (at the base).
- Pink quartz.
- Pyrite crystals.
- Garnets.
- Cyanite powder.
- Crysolite.
- and other stones and ingredients...

Applications:

- Neutralises the harmful effects of frequencies, fields and radiation (computers, televisions, video games, stations of cordless phone...), electric overloads, etc.
- Maintains the atmosphere clean and healthy in the house, the office and in any other professional and study place.
- Improves sleep, puts an end to nightmares, stops insomnia and alleviates stress.
- Develops psychic resistant powers.
- Enables one to get to know and accept oneself better.
- Makes people more pleasant and personal relations easier.
- Makes possible the resolution of conflicts.
- The cockpit of the vehicles are cleansed: car, bus, truck, plane... (as all orgonite).
- Neutralizes the psychic parasites and attracts "the good" angels.
- Plus others ...
